## Extra Information

### Friday afternoon Cultural Cruise

For those Out of Towners AND Locals, we are offering a spectacular cruise on Wallis Lake - Aunty Lyn Davis tells stories about growing up on the "Mish" and her life on the lake. Steve talks about the culturally significant aspects of the lake sites, flora & fauna. This is a wonderful way to start the weekend.

### Where to Stay?

**Smugglers Cove**, on Lakes Way, offers a range of cabins which sleep at least 3 people, and is just up the road from Holy Name School. They are the best value for money option & have been worded up about the BSBTS. They offer a discount for seniors and have BBQ facilities under cover for breakfasts and dinners.

*Please mention you are booking for BSBTS.*

There are many other motels along the Lakes Way/McIntosh Street very, all very close to IHNS.

### Meals

BSBTS will provide morning and afternoon tea and a light lunch of soup (one vego), rolls and fruit, on both days.

We are working on a venue for those who wish to gather round a campfire for more yarnning and singing and perhaps a fish BBQ. (Please indicate your interest)

### Local Art on Display-bring cash!

We are encouraging local artists to display their art for us to enjoy during the workshop. Most paintings will be for sale.
